Please join us for our inaugural golf event. Together, with the assistance of our generous sponsors, we will dedicate all profits to a local individual in need.

This year, it is very special child by the name of Maryah Tift. Maryah is a vibrant Ten year-old, who was diagnosed in January with Ewing's Sarcoma, a rare form of bone cancer. Maryah, along with the entire Keys family, invite you to join us for a fun day of golf and dinner.

In addition to your participation, please consider a tax deductible Hole Sponsorship for \$250. This includes, 18" x 24" Tee Box Sign with your four-color logo, plus inclusion as an event sponsor in all media communications.
