This year's recipient is Aleena Moreno & Family

The Moreno Family

"Aleena was diagnosed with medulloblastoma (brain cancer) in April of 2004. Since then she has undergone Radiation, Chemotherapy, multiple surgeries and spent more than 6 months in the hospital. She was in remission once and has had a reoccurrence of her cancer twice. Currently she is on Chemo after a reoccurrence in January of 2007. The road ahead will be difficult; however with your prayers and financial assistance, the future is promising.
