THE KEYS CAFE STORY

In 1973, the Original Keys Cafe opened for business in St. Paul on Raymond Avenue. **Barbara Humm** founded this first adventure, refining and improving her successful formula onto her children, Carol, Jean, Celine, and Roy. Barbara has been able to mold her business into what she believes a restaurant of good food should be. And with the help of her children and sons-in-law-Brian, Don, Bill and Daughter-in-law Amy, the Keys Cafes have expanded to eight Twin Cities locations and now "We've Crossed The Line" into Hudson Wisconsin making nine locations!
Keys Cafe has been recognized and awarded both locally and nationally for their fine food. The Keys philosophy is simple: memorable service and absolutely the best food... breakfasts, lunches, dinners, and desserts created from scratch recipes "you grew up with". We want to serve you great food from scratch in reasonable time. Please keep in mind that during our busy times, your meal may take a little longer to prepare, but it's being made just for you and it's well worth the wait.
