THE KEYS CAFE STORY

In 1973, the first Keys Cafe opened for business in St. Paul on Raymond Avenue. Barbara Hunn founded this first adventure, refining and improving her successful formula until the second Keys opened in New Brighton in 1983. Together with her family, the Keys Cafes have expanded to eight Twin Cites locations and have been recognized and awarded both locally and nationally for their fine food. The Keys philosophy is simple: memorable service and absolutely the best food... breakfasts, lunches, dinners, and desserts created from scratch recipes "you grew up with".

We are proud to serve these products and beverages:
